Wed, 31 Oct 2018 22:56:00 GMT Doowon Precision Industry Co., Ltd.: Private Company ... - Many of Lechler's precision nozzles for tank and equipment cleaning are CIP-capable and can remain in the installation during the production process. For every application From the easiest to most difficult soils " Lechler has the optimum solution for removing soils of all kinds. Mon, 05 Nov 2018 20:06:00 GMT Precision Spray Nozzles for Tank and Equipment Cleaning - Precision Spray nozzles deliver an industry first 1â€•/hr (25mm/hr) precipitation rate, which better matches soil infiltration rate. This lower precipitation rate, along with high distribution uniformity make this nozzles family the most efficient nozzle from 5â€™-15â€™ (1,5-4,6m). Tue, 30 Oct 2018 03:02:00 GMT Precision, Series Spray Nozzle - Toro - The lower flow rate of Precision, Series Spray Nozzles maximizes design efficiency and saves on overall material costs by using fewer valves and less controller stations. In addition, the performance of existing systems with lower pressures can be

upgraded with a simple retrofit of the pre-existing high flow nozzles.
