FABIA MANUAL ... - The Amundsenâ€™Scott South Pole Scientific Station is the southernmost habitation on Earth. It is continuously inhabited. Its name honors Roald Amundsen , whose Norwegian expedition reached the Geographic South Pole in December 1911, and Robert F. Scott , whose British expedition of five men reached the South Pole about one month later (in January 1912) in a race to become the first person ever to reach the South Pole. Fri, 09 Nov 2018 02:07:00 GMT Amundsenâ€™Scott South Pole Station - Wikipedia - You have chosen a Å KODA vehicle, which is fitted with the Infotainment Navigation Amundsen (hereafter called the unit) â€™ we thank you for your confidence in us. The new operating concept allows you to configure vehicle settings and to operate some electronic systems centrally from the unit.
