"Doll Master" opens in the
past, where a narrator tells
us the tale of a doll maker
who fell in love with a
woman in red. He makes a
doll in her image to impress
her, and it works. The
couple falls in love, but
when the woman is found
murdered, the doll master is
blamed, arrested, and then
killed by vigilantes in the
woods. Sun, 05 Jun 2016

â€œThe Doll Masterâ€•
goes against the stream.
These days Asian horror
movies seem to be all about
scaring the living hell out of
the viewer with bizarre
otherworldly images or
sounds. â€œRingâ€•,
â€œTale of Two Sistersâ€•
and recently â€œFaceâ€•
used this approach, but
â€œThe Doll Masterâ€•
goes for an old-fashioned,
more fun kind of creepy.
