It was the Japanese who set out to change the rules of the game. By purchasing a

few used American presses and endlessly experimenting from the late 1940s onward, Ohno eventually perfected his technique for quick die changes. The Machine That Changed The World - A.V. Vedpuriswar - â€œTo read Watching the World Change is an overwhelming experience. Beautifully written and observed, as a tribute to the dead, it embodies the Buddhist wisdom about change, life, and the world more than anything written after the events of that day. Watching the World Change | David Friend | Macmillan -
